Protection of Privacy Law 196/03 In compliance with Legislative Decree 196/03 on the protection of personal data, Villa Carlo Resort guarantees the maximum confidentiality of the data provided. In particular, it guarantees that the collection of applicants' personal data has the exclusive purpose of being able to adequately carry out one's economic activity; that personal data are and will be processed lawfully, correctly and in compliance with the aforementioned law, both with computerized systems and on paper. The collection of personal data is mandatory, as it is also necessary to comply with tax law obligations; the data may be disclosed to third-party organizations (banks) exclusively for the performance of our relationship and in the context of the tasks assigned to us. The applicant can obtain the updating, rectification or cancellation of data concerning him at any time. In relation to the processing of personal data concerning him, as described above, the applicant freely expresses his consent, pursuant to and for the purposes of the Law.
